---

"Be yourself, Who else is better qualified?"

Frank J. Gillbini II

---

---

"Some people strengthen the society just by being the kind of people they are."

John W. Gardner

---

---

"You can't give people pride, but you can provide the kind of understanding that makes people look to their inner strength and find their own sense of pride."

Charleszetta Waddles

---

---

"There is a smile of love  
And there is a smile of deceit,  
And there is a smile of smiles  
In which these fun meet."

The Pickering Manuscript

---

---

"We must know, as much as possible, in our beautiful art . . . what we are talking about — and the only way to know is to have lived and loved and cursed and floundered and enjoyed and suffered. I think I don't regret a single "excess" of my responsive youth — I only regret, in my childhood age, certain occasions and possibilities I didn't embrace."

Letter to High Walpole

---

---

### Friendship

"A friend is a rare treasure, when one is found you must take care not to lose it. They are a source of security love sympathy, and most of all someone to talk to."

Cherie Petit

---

## *Student Life*

# The Lamp Dedication is to Diana E. Fordham

"Every heart that has beat strong and cheerfully has left a hopeful impulse behind it in the world, and bettered the tradition of mankind."

Robert Louis Stevenson

To hold true to this quote by Robert Louis Stevenson, the 1991 yearbook is dedicated to a woman who has given six years of her life to Lasell College. She is the heart of the campus. Her interactions with students, parents and faculty has shown her strengths and energies. A quote from the 1986 Lamp yearbook says, "Diana has a smile on her face, and an ear to listen to any problem or concern you may have. She has taught us what friendships are about and how to believe in ourselves." This continues to be true to this very day.

Diana E. Fordham, the 1991 Lasell Lamp is dedicated to you and all of your hard work. Good Luck and God Bless!! We Love you and we will Miss You!!

following the ceremony.

April Wins!  
in  
End

April Wins!

We had a lot of fun together,  
Got along so well.  
That in mind a host of rather  
Pleasant thoughts still dwell.

All the future we shared rushed by:  
Too soon our day had ended.  
It's satisfying when two paths  
Have crossed and lives have blended.

There's so much for us to learn  
New thoughts we can exchange  
New feelings we can introduce  
More sharing to arrange.

I hope you felt the same as I  
Enjoyed the time completely.  
It's hard for me to comprehend  
What all this means concretely.

But I just couldn't let  
This special moment disappear.  
Without informing you how much  
It meant to have you near.

Bruce B. Wilmer

# COMMENCEMENT MAY 19, 1991

WE LAUGHED  
UNTIL WE HAD  
TO CRY. WE LOVED  
RIGHT DOWN TO OUR  
LAST GOOD-BYE.

We entered Lasell not knowing as freshmen what lies ahead. We set goals, studied hard, and had a good time with our friends. Now we have reached a mile stone in our life. For some of us this means we will be entering the ever growing work force, while for others we will continue our education. Whatever the choice it's time for us to go our separate ways. Someday though we will be working or with friends and something will remind us of our good times at Lasell and the lasting friendships we made. Never forget Lasell and may all your dreams come true.

Congratulations to the Class of 1991

Pledge, women far loyalty!  
Sing we now before we part,  
We'll ever faithful be.

Bright school days are quickly past;  
Enjoy them while you may  
Mem'ries still shall them outlast,  
When we are far away.

Alma Mater, Fidelitas!  
Pledge, women for loyalty!  
Sing we now before we part  
We'll ever faithful be.

As another year at Lasell ends, I would like you to reflect on the many memories you helped in creating. The producers of the yearbook sincerely hope that this book preserves those special moments for you to remember.

To my awesome team: all of you are wonderful! To those graduating: good luck may the good Lord be with each of you! To the 1992 yearbook team: watch out because we have quite a few tricks up our sleeves! To the new editors, Donna, Gina and Tracy: good luck, I know you will all succeed.

When life looks down or you are confused remember; "To thine own self be true."

Thank you, Enjoy, and Good Luck
